

PATIO DESIGN AND BUILD
Corporate Profile

Introduction:

Since 2006 PATIO Design & Build has been successfully delivering to our satisfied clients high-end projects ranging from resorts, retail, residential, to schools, offices, and healthcare. We serve clients across the region - Abu Dhabi, Dubai, Beirut, Riyadh, Amman, to name a few...

Operating from the Capital of the UAE, Abu Dhabi, PATIO Design & Build brings to our clients in the Gulf and Middle East advanced project management and project execution services.

Mission:

International statistics show that 70% of projects which run over-budget, exceed their timeframe or even fail due to poor project management and execution. Patio Design & Build is dedicated to deliver excellence in project design, management and execution. Our Mission is focused on delivering projects on-time and within a given budget.

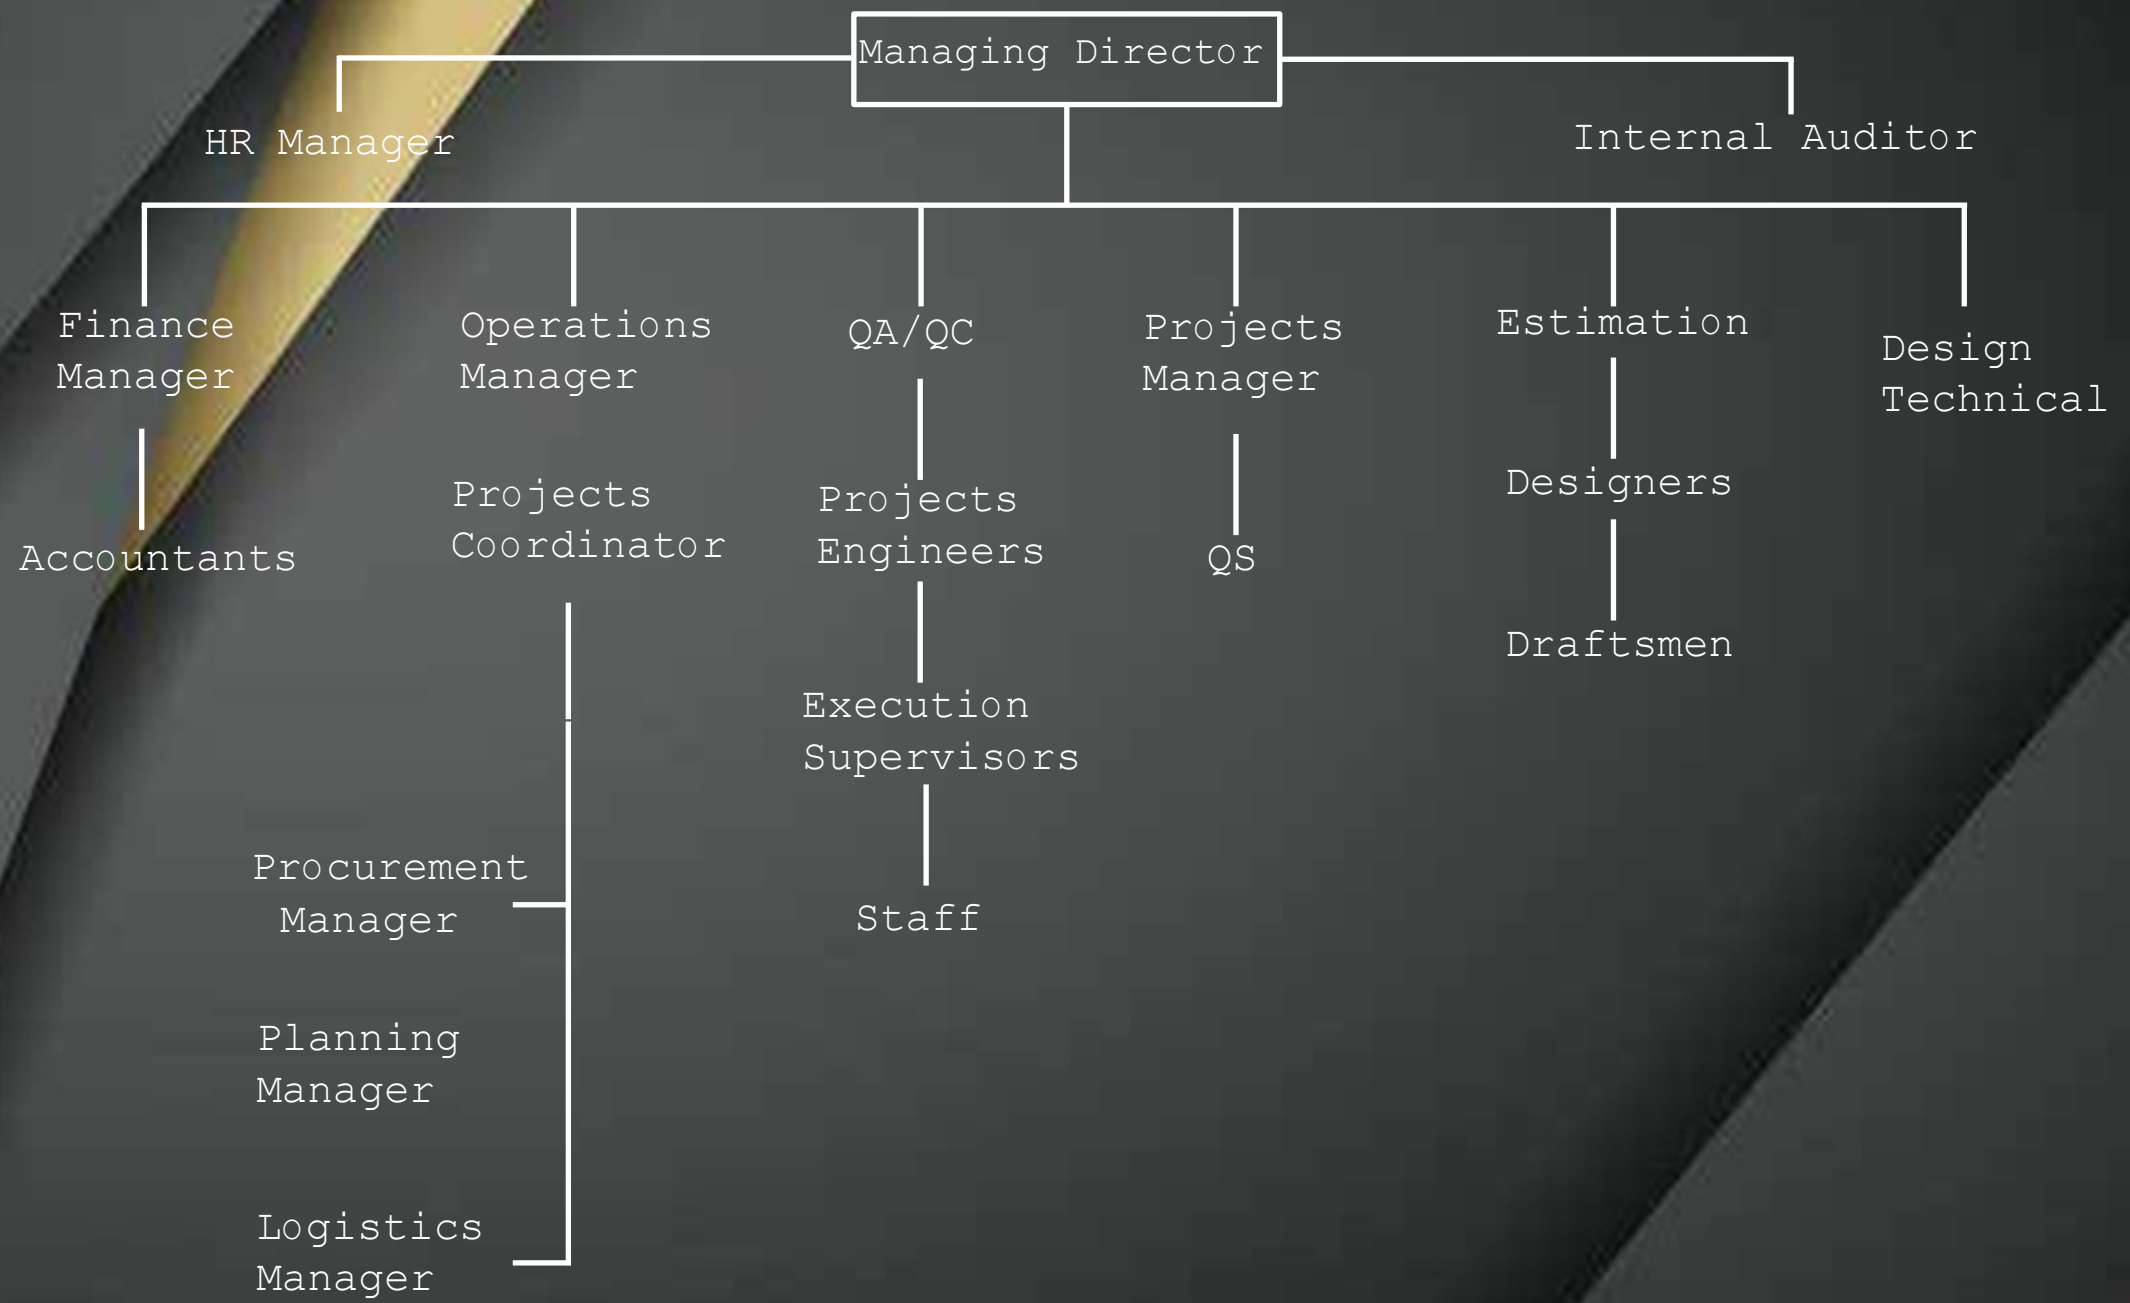

Vision:

Patio will become the reference in the design and execution of medium and large projects. Our strategy is pedestaled on the highest standards of quality and constantly exceeding our client's expectations through our modern and dynamic management systems, solid experience, abidance by international standards, proven methodologies, and a dedicated teams of inspired designers.

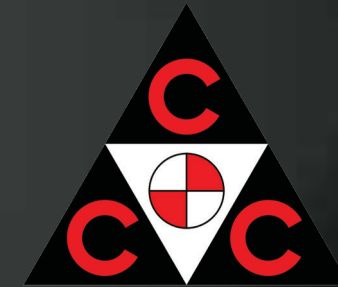

Values:

In Patio we live and abide by Integrity, Professionalism, and Safety.
